### **2022 Priorities: Writing, Wellbeing, Positive Partnerships**

Hello Dalveen parents & community members!

Welcome to the Week 7 Newsletter. There is a lot happening in a short space of time and it is hard to believe that we are now only 3 weeks away from the September holiday break. Time flies when you are having fun and working hard, that is for sure.

**P&C Events:** Thank you to our hardworking P&C for dedicating their time to run some recent school and fundraising events. Last weekend the Skillington and Walters families, along with Harry, Mia and Fletcher ran the Bunnings sausage sizzle in Warwick. This was an all day event and we appreciate you volunteering your time. We really need parent volunteers, remembering that all money raised goes directly to our children and their education.

**Tuckshop:** The P&C is running tuckshop next Tuesday 30<sup>th</sup> August at first and second breaks. The order forms were sent home last week and are due back tomorrow. The menu looks delicious – we love tuckshop days and always look forward to the yummy home cooking.

**Book Week:** Our Book Week dress up day was all sorts of fabulous, and a big thank you to parents and caregivers for going to such a big effort. The shared lunches were a special treat and a big thank you to every family who brought a plate. Special congratulations to Brooklyn in P-2 (Nerida from Brave) and Mia in 3-6 (Hermoire from Harry Potter) who were awarded who were awarded the prize for best costumes and to Fletcher for the funniest book character. We enjoyed a variety of activities on the day, including reading “The Gingerbread Man” and designing and making our own gingerbreads as well as writing an alternative ending to the story. We also listened to the story “Ruby Red Shoes goes to Paris”, which fit in well with our Around the World unit, so naturally we tasted some French food as well, including baguettes and croissants. What a day! Also as part of our Book Week celebrations, we read the Macca the Alpaca series and then had a surprise visit from Mr McGahey and “Helga” the alpaca. We loved meeting you Helga and many thanks to Mr McGahey who really made our day!

**Science Week:** Last week we celebrated last week, where the theme was all about glass. Students participated in a brilliant day of science experiments and hands on activities. They made candy magnifying glasses, magnet superhero stories, elephant’s toothpaste, ice-cream and mixed different substances together to make cool patterns and colours. Thank you to Mr McGahey who did a great job of planning and organising the rotations.

#### **Library:**

Students borrow library books on a Monday each week. Books are to be returned each Monday, in order to borrow more or we can apply an extension. Don’t forget library bags!

**Christmas Concert:** Our Christmas concert and awards night is being held on Thursday 1<sup>st</sup> December, 6.30pm in the Dalveen Hall. Please mark this in your calendars and save the date.

**PBL Rewards Day:** Our students have been working as hard as ever, being safe, responsible and respectful and collecting their hard earned “Dalveen Dollars”. We will be holding our PBL excursion on Tuesday the 13<sup>th</sup> September when we will be visiting the WIRAC pool for a free swim, followed by lunch in the park and a special first-time screening of the movie >>>> at the Warwick cinema. Permission notes will be sent home soon, so please be on the look out.

### **PBL Excursion**

Our Term 3 PBL Excursion is on Tuesday the 13<sup>th</sup> of September. Students will travel to Warwick by bus and will have a free swim at WIRAC, followed by lunch in park, then a movie and popcorn at Warwick Twin Cinema watching DC League of Super Pets. Cost is \$10 per student. Money and permission forms must be returned to the office no later than Friday the 9<sup>th</sup> of September.

### **Around the World Celebration:**

Our International Day will be held on Tuesday 6<sup>th</sup> of September. Students have chosen their countries and are asked to come dressed in their traditional costume, something related to their country or their country flag colours. There will be no homework in Week 8 (next week) as students spend time at home completing their country fact file. They will present this fact file to the class as part of International Day and participate in lots of “Around the World” activities. We will also be having another shared lunch, as each student will bring in a traditional dish to share with the group.

### **Breakfast Club:**

Breakfast Club is held from 8am-8.35am on a Friday morning every second week, and is an opportunity for students to share a meal together. We have a range of breakfast options, from toast with spreads, fresh fruit, yoghurt and baked goods. Chappy Susan has been doing a great job of co-ordinating Breakfast Club and will continue to run the program this year. Please remember that the kitchen closes at 8.35am, so make sure you arrive early!

**Please note: Breakfast Club is now being held every fortnight, on Even Weeks—Check the Calendar for updates. There will be no Breakfast Club tomorrow 26<sup>th</sup> August.**

**Miss Blake has been away on conference this week, leaving Miss Priddle in charge of the newsletter, so we will make sure our next issue is a bumper issue full of photos :-)**

Have a fantastic week and stay warm!  
From Kate & The Dalveen Staff
