Dalveen State School

Student Dress Code

Reviewed November 2012

Purpose:

The P&C of Dalveen State School resolves that it supports a student dress code for Dalveen State School because it believes that a student dress code at Dalveen State School promotes objectives of Education (General Provisions) Bill 2006.

In particular, the P&C of Dalveen State School supports the intention of a student dress code in providing a safe and supportive teaching and learning environment by:

- Ready identification of students and non-students at school;
- Eliminating distraction of competition in dress and fashion at school;
- Fostering a sense of belonging; and
- Developing mutual respect among students through minimising visible evidence of economic or social differences.

Scope:

1. The design of the school uniform considers
   - Sun Safety

   - Functionality

2. The uniform reflects school colours of green and gold.
