Be Safe, Be Responsible, Be Respectful

2026 Priorities: *"To deliver a consistent, high-quality Australian Curriculum through a whole-school plan that aligns with school priorities, while strengthening teacher capability and consistency through cluster-school partnerships, shared practices, and moderation."*

School Vision:

"To holistically support and nurture life-long learners through a focus on personal development, rich, individualised and engaging instruction, authentic curiosity, diverse opportunities and inclusive, supportive and engaging learning environments"

Hello Dalveen parents and community members,

Welcome back to Term 2! We hope you had a restful break and are feeling refreshed for the weeks ahead. We're pleased to share that we've had a smooth and successful start to the term. Thank you for your ongoing support and involvement.

Snake Sighting

Earlier today, Mr. Hill observed a snake in the front garden (at the back of the right garden entering the school grounds). Tim Hudson from Hudson's Snake Catcher was contacted immediately and attended the scene; however, he was unable to capture the snake. Mr. Hill has spent considerable time clearing the garden as thoroughly as possible. We will continue to exercise caution by avoiding this area, removing bird baths, and keeping this garden section off-limits until further notice.

ANZAC Day Ceremony – Tomorrow

Our ANZAC Day ceremony will take place tomorrow, beginning at 10am. Families and members of the community are warmly invited to attend.

ANZAC DAY March – Saturday

Join us this Saturday to honour the ANZACS. Meet at Anderson's Carpet at 10:15 am; the march begins at approximately 10:30 am. We encourage all students to attend and pay their respects.

Granite Belt Cross Country- Next Friday

Next Friday, several of our students will be participating in the Granite Belt Cross Country at Severnlea State School. Mrs Read will be present to support them. We wish all of our students the best of luck.

CWA Mother's Day Craft

Next Thursday, our CWA ladies will visit to lead Mother's Day craft activities with our students. The students really enjoy creating art with the CWA, and we're sure our mums and carers will love the finished pieces just as much.

CWA Country of Study – Samoa

This term, our students will engage in a study of Samoa with continued participation from the CWA and their international country of study. Students will explore various aspects of Samoan culture and knowledge, culminating in a presentation night scheduled for Monday, 8 June at 6 PM in the hall, where their work will be showcased and the winners will be announced.

Breakfast Club

Breakfast Club will continue to run on Tuesdays under the guidance of the amazing and energetic Mrs Read. She will make sure everyone starts their Tuesday mornings with a tasty breaky. Breakfast Club operates from 8am to 8.30am every Tuesday—come along and fuel up for a great day of learning! **Please note, strictly no students before 8am, as Mrs Read needs time to prepare breakfast before everyone arrives.**

Thank you for your ongoing support. Stay connected through our Facebook page for updates!

Please remember that our Newsletter is fortnightly, sent home on odd weeks.

Tricia and The Dalveen Staff.

4-Week Pop Art Animal Painting Course 🐾

Let your child's creativity run wild in this fun and colourful 4-week painting course! Students will learn how to create bold, eye-catching pop art animal paintings using bright colours, strong outlines, and simple acrylic techniques.

Art supports a child's development. By improving motor skills, enhancing critical thinking, and encouraging self-expression, art classes give children tools they can use throughout life.

Perfect for beginners and young artists alike, this hands-on course guides students step-by-step as they build skills, experiment with colour, and develop their own unique artistic style. By the end of the program, each student will complete a vibrant animal artwork they'll be proud to take home!

- ✦ A relaxed, supportive environment
- ✦ Learn real painting techniques in a fun way
- ✦ Build confidence, imagination and creativity

Class Details:

Ages: 8 years and up

Time: 3:30pm – 5:00pm

Where: Stanthorpe Regional Art Gallery, Weeroona Park Stanthorpe.

Dates: Wednesdays, 29 April, 6, 13 and 20 May

Duration: 4 weeks

Cost: \$40

Class Size: Maximum 10 students

 All materials provided

 Booking essential – limited spots available! <https://events.humanitix.com/kids-pop-art-course>

Positive Behaviour for Learning – Weekly Focus

Give your child the chance to explore their creativity, build confidence, and create a

vibrant artwork they'll be proud of!

What's On??

Children's Health Queensland Hospital and Health Service

Birdie's Tree

Foundational Training for Educators and Teachers

Birdie's Tree is a suite of resources developed by the Queensland Centre for Perinatal and Infant Mental Health (QCPIMH) to support children to prepare for, respond to, and recover from natural disasters and disruptive events.

We invite you to this interactive workshop to explore the resources and learn how to use them effectively in your work. Receive a complimentary Birdie's Tree kit with a set of storybooks, activity book, puppets, and more.

Grounded in the Early Years Learning Framework v2.0, National Quality Standards, and the Australian Curriculum, and aligned with the Sendai Framework for Disaster Risk Reduction, the program supports the wellbeing and professional learning of educators, teachers, support staff, and allied health clinicians working in education settings, recognising their critical role in building safe, resilient communities from the the early years.

Workshop Details:
25th May 2026 (Monday)
5pm - 7:30pm

BUSHKIDS

191 Wood St, Warwick QLD 4370
