Be Safe, Be Responsible, Be Respectful

2026 Priorities: *"To deliver a consistent, high-quality Australian Curriculum through a whole-school plan that aligns with school priorities, while strengthening teacher capability and consistency through cluster-school partnerships, shared practices, and moderation."*

Hello Dalveen parents and community members, welcome to week 9, with only 1 more week to go before school holidays!

Camp

Our Year 5 and 6 students had a fantastic week away at Lennox Head, enjoying a wonderful mix of adventure, learning and time together. From exploring the beautiful coastline and participating in exciting activities to sharing meals, laughter and new experiences, the students embraced every opportunity. Camp provided a wonderful chance for our students to build independence, strengthen friendships and create special memories that they will carry with them for years to come. We are incredibly proud of the way they represented Dalveen State School throughout the week!

Under 8's day

We are looking forward to celebrating Under 8's Day at Stanthorpe State School next Wednesday the 16th of September. The morning will be filled with a range of fun and engaging activities designed for our younger students to enjoy.

The event will run from **9:30am to 12:00pm**. We will have 2 staff members attending and running an activity station, if **parents/carers can transport their child to and from the event and if possible remain on site to supervise them throughout the morning**.

We look forward to a wonderful morning of learning, play and community connection. We hope to see you there!

Yr 6 Transition Day

Our Year 6 students will attend their third Transition Day session at Stanthorpe State High School on Thursday, 17 September. These sessions provide students with a valuable opportunity to become familiar with the high school environment, meet staff and fellow students, and experience some of the learning opportunities available as they prepare for the move to secondary school.

The Transition Day program is an important part of supporting students as they build confidence and develop a positive understanding of what to expect in Year 7.

Parents and carers are reminded that they are responsible for transporting their child to and from Stanthorpe State High School on the day. We encourage students to make the most of this exciting opportunity as they continue their journey towards high school.

150th Celebration Committee Meeting

On Monday, we held our third 150th Celebration Committee meeting. If you would like to be involved, please join us at the next meeting on Monday, 12th October at 6pm at the Dalveen Hall.

P&C Meeting

Our next P&C Meeting is next Monday (14th September) at 6pm at the library. Please come along!

PBL Rewards Day

To celebrate a fantastic term of positive behaviour and learning, students will enjoy our PBL Rewards Day on the last day of Term 3.

Students are invited to wear **free dress** for the day and are encouraged to bring a **plate of food to share for lunch** with their classmates. This will be a wonderful opportunity for students to come together, celebrate their achievements and enjoy some fun activities as we finish the term on a positive note.

We thank our students for the way they have demonstrated our school values throughout the term and look forward to a great day of celebration together!

Breakfast Club

Breakfast club is held every Tuesday in the library A huge thank you to Mrs Wilmot for providing this wonderful service for our students each week.

Thank you for your ongoing support. Stay connected through our Facebook page for updates!

Please remember that our Newsletter is fortnightly, sent home on odd weeks.
